WORK EXPERIENCE

Teaching & Research Associate | Gujarat Maritime University

April 2025 – Present

- Conducted research on maritime laws, international trade laws and general public international law in furtherance of institutional objectives.
- Taught Comparative Public Law, Law and Justice in a Globalising World, India and Foreign Trade and Seafarer Rights and Responsibilities to LLM Batches.
- Provided comprehensive administrative and organisational support for seamless execution of academic deliverables as well as major events and conferences.
- Assisted in developing academic curriculum and course materials for academic programmes.
- Assisted in document verification of newly enrolled batches of LLM and MBA.
- Prepared comprehensive reports and delivered timely outputs through strategic management of tasks.

Research Assistant | Jindal Global Law School

April 2022 – September 2023

- Conducted research on public international law in South Asia and Southeast Asia, identifying critical areas of development in human rights and security.
- Examined security frameworks of SAARC, ASEAN and BIMSTEC to analyse regional cooperation and integration and key spheres of economic development.
- Co-authored key research on contemporary issues in International Criminal Law, including Crimes against Humanity and Genocide, with a focus on situations in South and Southeast Asia.
- Led a comprehensive analysis of India's refugee policy in the light of international refugee framework and identified areas of convergence and divergence.
- Investigated United Nations Security Council referral and deferral powers in furthering international criminal justice and offered a framework to strengthen institutional capacity.
- Initiated research on Responsibility to Protect (R2P) doctrine and the viability of unilateral humanitarian interventions to further international peace and security.
- Analysed the progress of National Green Tribunals (NGTs) in upholding environmental rights, suggesting mechanisms to enhance institutional capacity.
- Analysed domestic legal frameworks and socio-legal issues, such as gender-based violence, its depictions in contemporary media and intersection with legal systems, identifying strategies to eliminate gender bias and violence.
- Edited manuscripts based on journal styles, in furtherance of publication objectives.
- Developed strong writing and analytical skills through timely research output and reports, ensuring clarity and accuracy in communication.

February 2021

- Conducted research on regional conventions and counter-terrorism measures within the SAARC and ASEAN frameworks, providing critical insights into their effectiveness and implementation at the domestic level.
- Analysed country-specific approaches of the enforcement of regional counter-terrorism conventions, identifying areas of convergence and divergence to inform evidence-based policy recommendations.

Research Intern (International Relations) | Centre for Public Policy Research

June 2021 – August 2021

- Collected and analysed data pertaining to India's vaccine diplomacy during the height of the pandemic and presented detailed findings, underscoring a significant area of India's soft power.
- Examined the impact of the pandemic on global supply chains and identified strategic mechanisms for supply chain revival, including expansion of intra-regional trade.
- Analysed India's foreign policy and maritime security policy in the Indo-Pacific region, emergent threats from global and regional actors, with a particular emphasis on the QUAD framework.
- Evaluated India's Neighbourhood Policy and the emergent challenges with the rising influence of Chinese infrastructural projects under the Belt and Road Initiative, offering potential solutions and spheres of cooperation.
- Analysed US Domestic policies and foreign policy orientation to understand its role as a global security power.
- Authored reports on the United States-India Partnership on climate change and identifying core areas of collaboration and effective policy implementation aligned with sustainable development goals.

- Developed a comprehensive research report on international refugee frameworks and policies, proposing a strategic framework for regional and global powers.

Research Associate | Raisina House

March 2021 – May 2021

- Analysed human rights and humanitarian developments in Southeast Asia and Central Asia, providing evidence-based solutions to restore fair human rights conditions.
- Assessed threats of terrorism across South and West Asia and analysed the effectiveness of prevailing counterterrorism framework.
- Analysed security policy in Asia, with a focus on India's diplomatic engagements and regional dynamics, particularly, India-Nepal, India-China and India-Afghanistan relations.
- Played a pivotal role in the editorial process, refining articles and op-eds on international relations, human rights, women's rights and legal issues, enhancing the quality of publications.
- Organised seminars and training workshops with government officials, diplomats, academics, and civil society organisations, fostering dialogue on pressing peace and security issues.
- Supervised a team of interns, ensuring seamless coordination, communication and prompt reporting of submissions.
